## ABOUT ME

Passionate, self-taught IT and programming enthusiast. After three years of studying human medicine, I redirected my career path to dedicate my efforts to technology. I hold a Google IT Support Professional Certificate and have a solid foundation in computer basics. I possess skills in Linux system administration and problem-solving using C. Fluent in both German and English, I am currently seeking a vocational training (Ausbildung) opportunity to apply my skills in a professional work environment.

## WORK EXPERIENCE

 **Freelance** Cairo, Egypt

### Special educational needs coordinator

1 Jan 2023 – Current

- Facilitated the enrollment and admission processes for students applying to Egyptian universities.
- Managed official documentation, verified academic records, and provided tailored academic advisory services.

 **Al-Resala Library** Cairo, Egypt

### Library assistant

1 Jan 2022 – 2 Dec 2024

- Managed daily operations of high-capacity printing systems and digital document processing.
- Performed hardware troubleshooting and regular maintenance for printers and local network devices, minimizing operational downtime.

 **Badr University Hospital - Capital University** Badr, Egypt

### Medical laboratory assistant

1 Oct 2021 – 31 Jul 2024

- Completed practical clinical rotations parallel to foundational medical and health sciences studies.
- Observed clinical procedures and assisted in applying theoretical knowledge (e.g., anatomy, microbiology) in patient care environments.
